

# Nexus among SDGs, Climate Change Adaption and NAPs

**Eunhae Jeong**

United Nations Office for Sustainable Development  
Incheon, Republic of Korea

*2017 Asia NAP Expo  
12 September 2017*

---

# **NAPs /NDCs /SDGs**

- **National Adaptation Plans**
- **Paris Agreement : Nationally Determined Contributions**
- **2030 Sustainable Development Agenda**  
: Sustainable Development Goals

# Sustainable Development Goals

---

# NAPs

- **Established under UNFCCC Cancun Adaptation Framework**
- **Means of identifying adaptation needs and developing and implementing strategies and programs to address those needs**
- **Objectives** : integration of climate change adaptation, into all levels of development activities

# SDGs and NAPs

## : Horizontal Integration

13.1 Strengthen resilience and adaptive capacity to climate related hazards

13.2 Integrate CC measures into national policies, strategies and planning

There are in line with the objectives of the NAP process

Integration in development planning

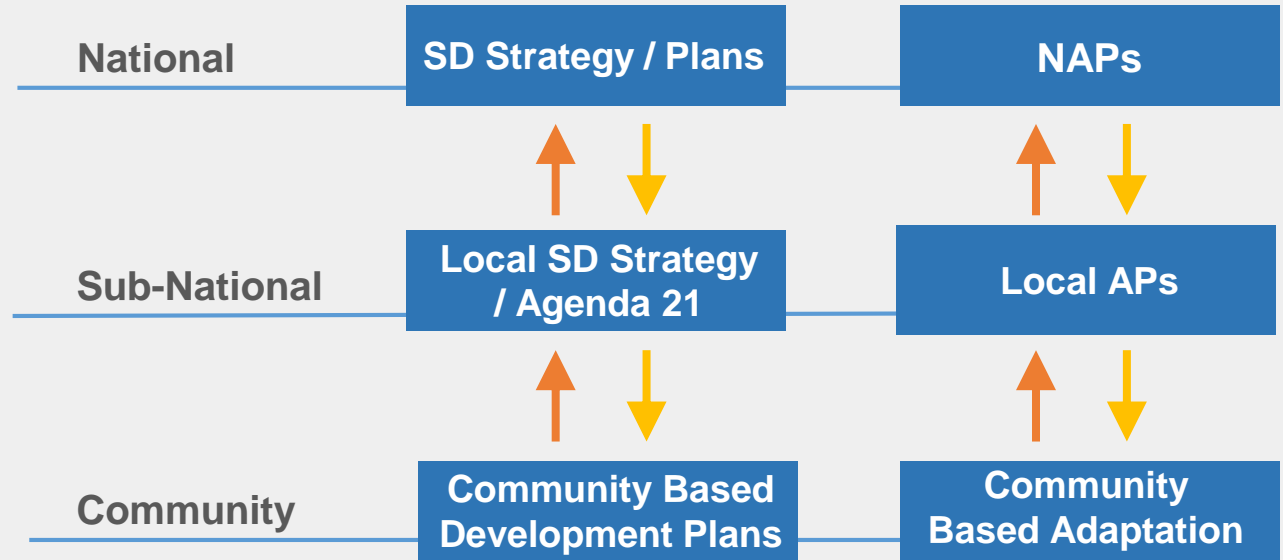

Integration in climate – sensitive sectors that the SDGs address

(Anne Hammil, 2017)

# SDGs and NAPs

:Vertical Integration

# SDGs and NAPs

:Synergies

	SDGs	NAPs
Status / Report	Review and Follow up -Indicators -National Voluntary Review	Monitoring and Evaluation
Policy and Institution	-Mainstreaming -Localizing	-Mainstreaming -Localizing
Capacity	Focus on “No one left behind”	Most vulnerable regions / Populations

**Climate Resilient Development**

- **Mandate**

- Help UN Member States
- Use knowledge for sustainability

- **Responses**

- Broker of knowledge
- Build capacity
- Advise

# UNOSD : Knowledge Development

Policy Research with  
United Nations University (UNU)

**2013**

***“Catalyzing Water for Sustainable  
Development and Growth”***

- Budget estimates to be needed for water goal

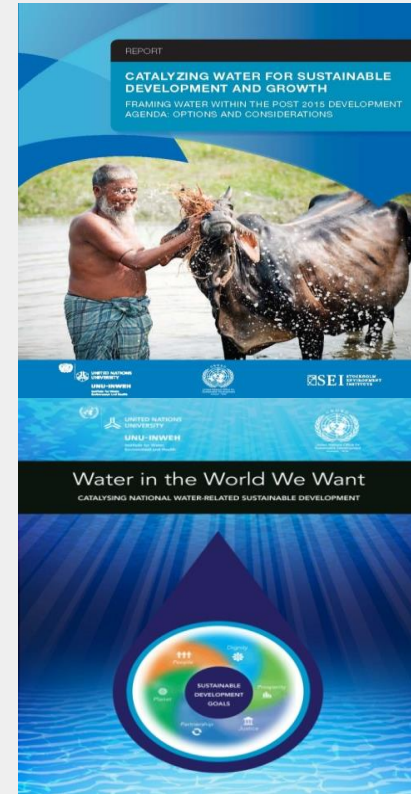

**2014**

***“Water in the World We Want”***

- 11 country case study

**2016**

***“Policy Support System for  
water-related SDGs”***

# UNOSD : Capacity Development

## 1. SDTF (SD Transition Forum)

Annual Forum where wide range of policy makers, stakeholders, NGOs discuss the most pressing issues

(Fourth Forum, Oct. 2017)

## 2. Executive Training for Policy Makers

Formerly Summer School

(4th Training, April. 2017)

# UNOSD : Capacity Development

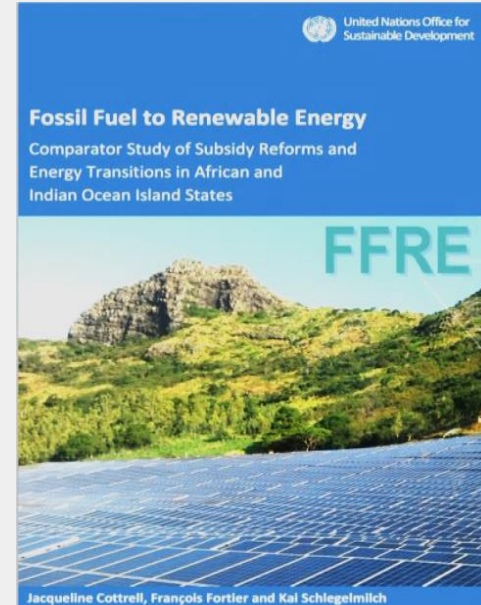

## 3. FFRE (Fossil Fuel to Renewable Energy Transition)

Support the organization of a series of capacity building workshops, Mauritius (May 2014), Kenya (October, 2014), Costa Rica (October, 2017)

## 4. Climate Change Workshop

Expert Group Meeting on Water-Food- Ecosystem Resilience in the Mid-latitude region (Nov. 2016)

NAP Expo and NAP Regional Training Workshop for Asia (Sep. 2017)
