

CONFERENCIA NACIONAL DE JUVENTUDES ^{POR} EL _{EL} CAMBIO CLIMÁTICO

CONFERENCIA LOCAL
DE LA JUVENTUD
CHILE

LCOY
CHILE 2023

CHALLENGES

Limited opportunities for the development of youth's capacities and skills

Gaps in education

Limited access to political incidence

LESSONS LEARNED

We have power

Voices and actions from youth and childhood matters

We need to integrate the diversity of views (gender, first nations, children, people with disabilities, etc.) -- intersectionality

RECOMMENDATIONS

Integrate youth into decision-making processes

Provide financing, technical support, and education to support and promote youth's adaptation initiatives

Democratize spaces and decision-making processes
