**NAP EXPO
2023**

**Scaling Up
Implementation of
Climate Adaptation
Through National
Adaptation Plans**

When: Monday 27 March at 4:00pm-5.30pm (GMT-3)

Questions

- Most important step toward NAP implementation?
- Top piece of advice for other countries?
- What is one barrier or solution on the strategic role that the NAP process can play in scaling up adaptation?

**NAP EXPO
2023**

**Scaling Up
Implementation of
Climate Adaptation
Through National
Adaptation Plans**

When: Monday 27 March at 4:00pm-5.30pm (GMT-3)

Knowledge clinic

» An opportunity to get advice from peers and from facilitators on a specific challenge that you are facing.

» During the session a **“patient”** will describe their challenge while a set **“doctors”** listen and provide advice.

» The objective is to promote peer to peer support while helping participants come up with new approaches to tackle real-world problems.

**NAP EXPO
2023**

**Scaling Up
Implementation of
Climate Adaptation
Through National
Adaptation Plans**

When: Monday 27 March at 4:00pm-5.30pm (GMT-3)

Knowledge clinic: instructions

- » The “patient” has up to 3 minutes to provide a detailed description of the MEL problem or challenge they face. They should be as specific as possible to get specific feedback in response.
- » The “doctors” have 3 minutes to ask follow-up questions that are for clarification only.
- » There is then 14 minutes for doctors to provide feedback on their recommendations.

**NAP EXPO
2023**

**Scaling Up
Implementation of
Climate Adaptation
Through National
Adaptation Plans**

When: Monday 27 March at 4:00pm-5.30pm (GMT-3)
